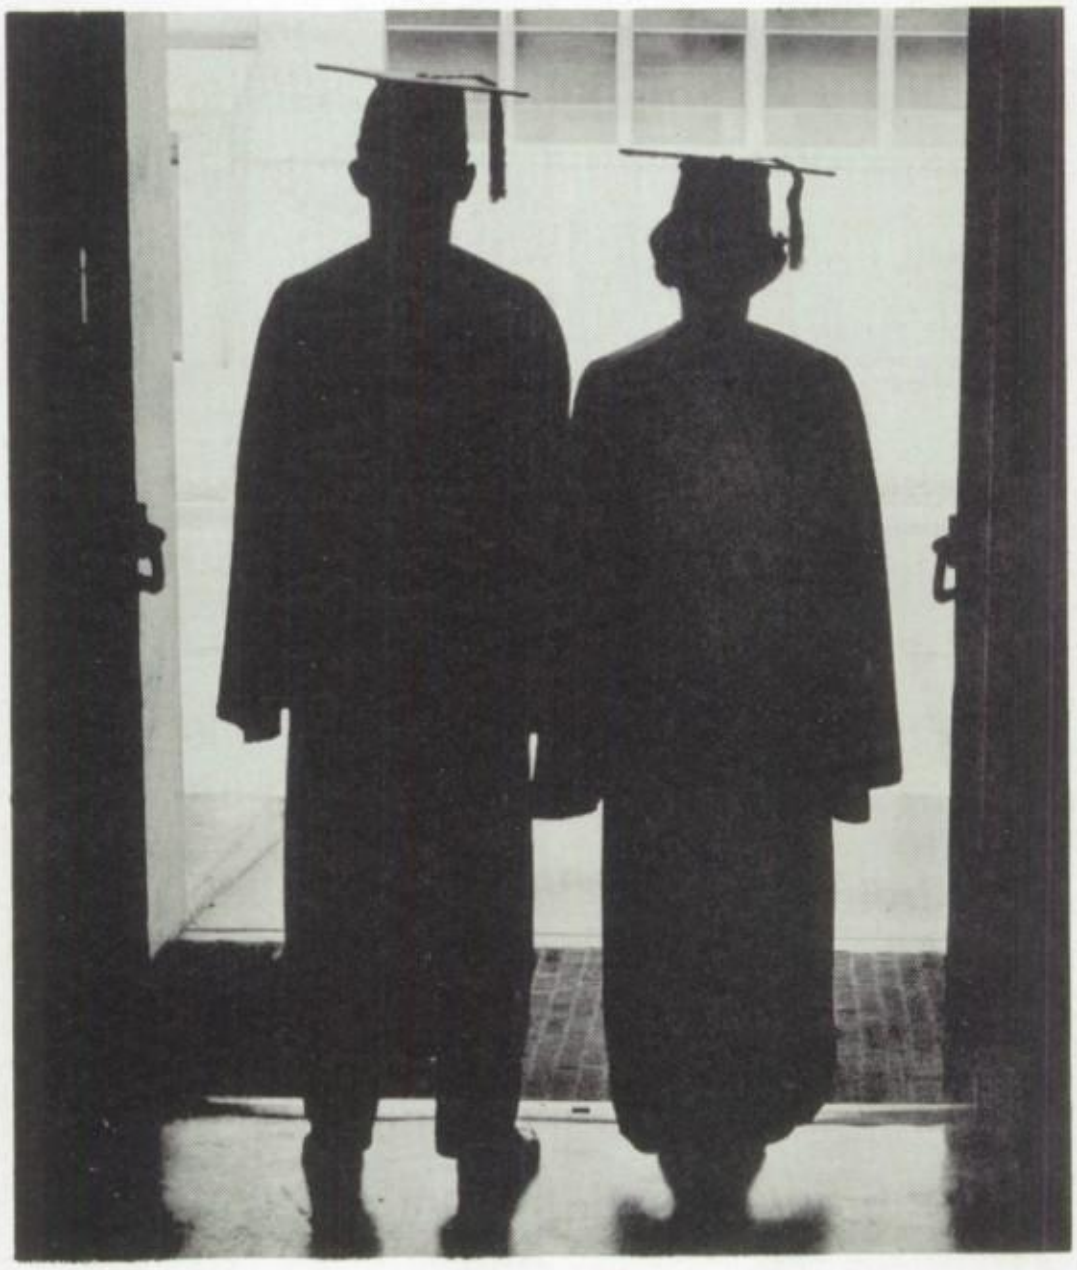
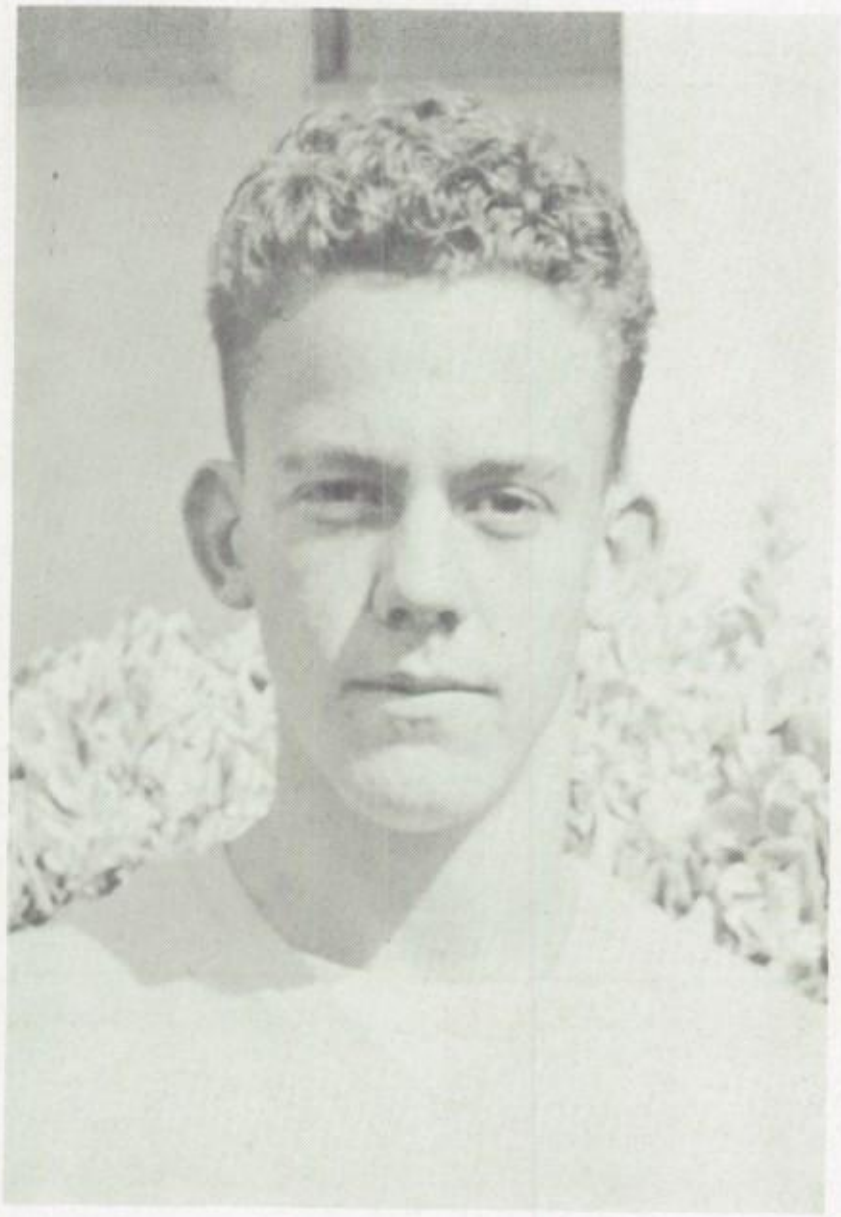
The 1959
WASCONIAN

Published by the
Journalism Class of
Wasco Union High School
Wasco, California



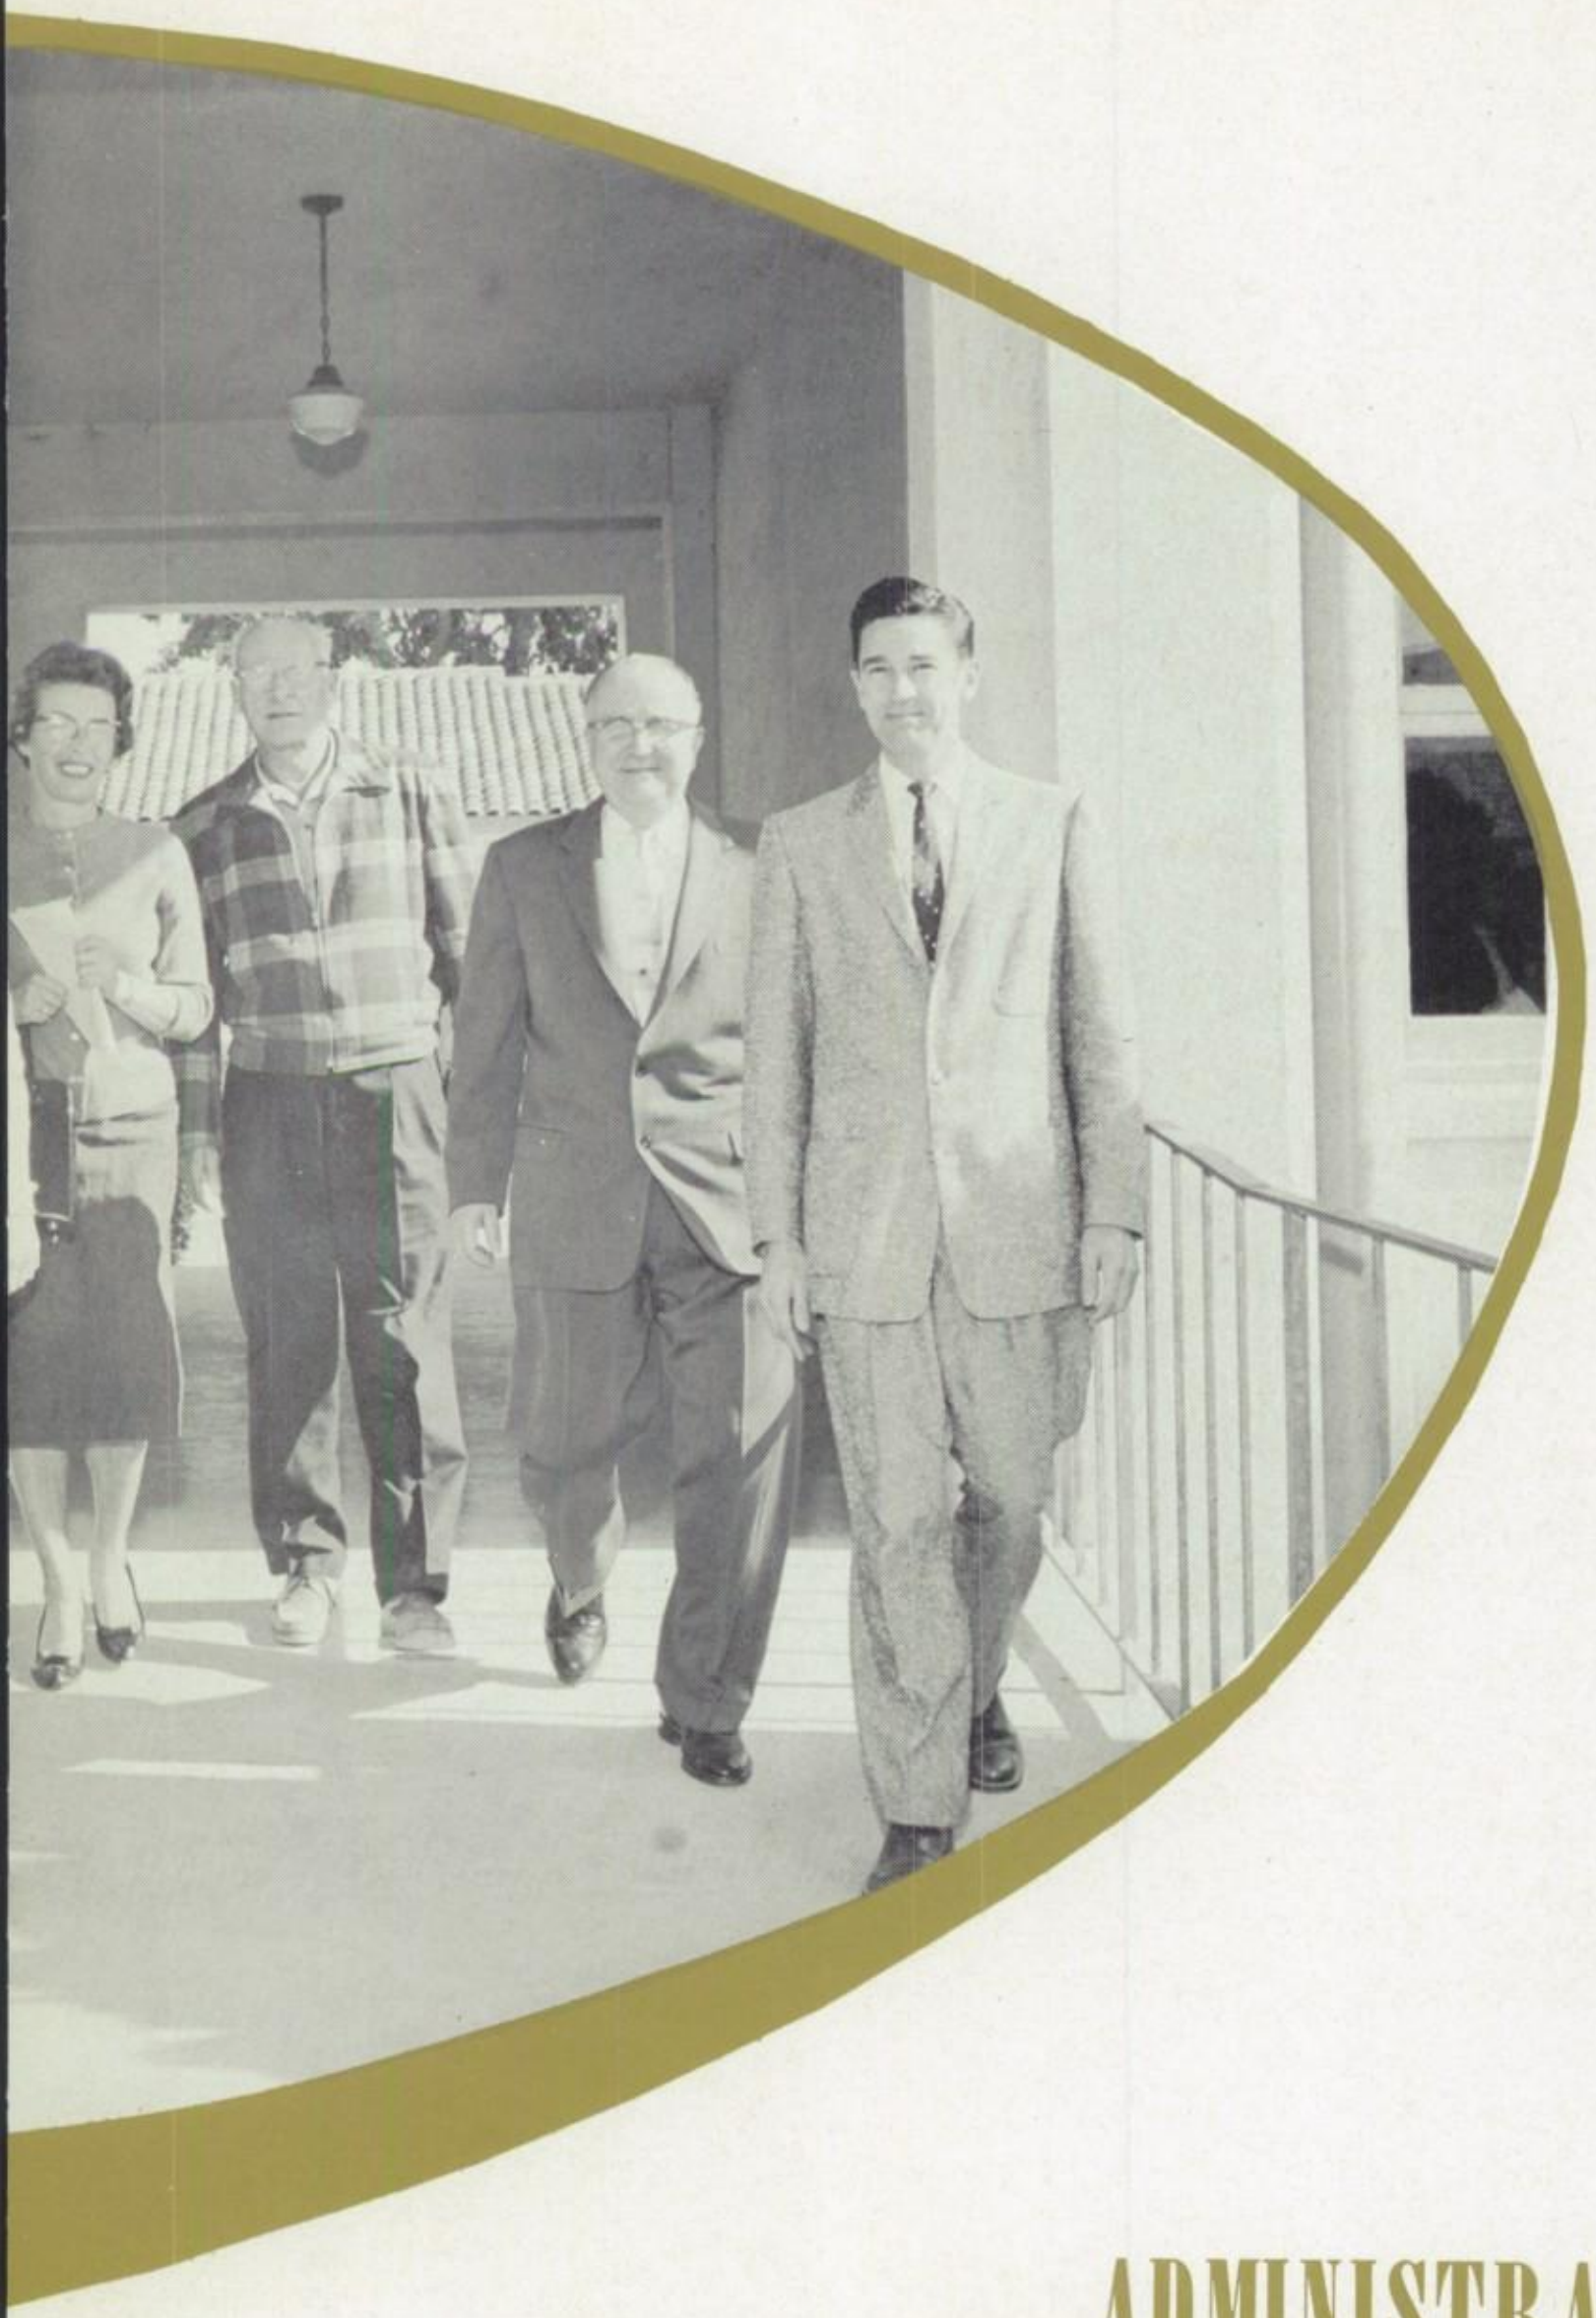
TO YOU, the graduating class of 1959, whose school spirit and leadership in student government and campus activities, in athletics, in scholarship, in agriculture, industrial, and theatre arts, and in community service is typical of the spirit of Wasco High Seniors—past, present and future—we dedicate this year book.



In Memoriam

TRUMAN ENSEY

Class of 1960



ADMINISTRATION

MR. SMITH, Superintendent

Superintendent's Message

The parents and friends of our students may justly be proud of the varied accomplishments of our school during the past year. The good record made in scholarship and in the various student activities stands as a tribute to the good effort and ability of our students. We are indebted to our Wasconian Staff and Advisor for this excellent recording of the events of the school year. It is our hope that the examples of good work recorded herein may serve as an incentive toward further interest and good effort on the part of all our students.

MR. BARR, Vice-Principal

MR. GEORGE, Curriculum Co-Ordinator

Principal's Message

The students of the Wasco Union High School have had another excellent year and the people of Wasco can look with pride upon this record of accomplishments.

The Wasconian and advisors are to be congratulated for this fine book.

OUR SCHOOL IN REVIEW

Construction was well under way, as the framework for the beautiful new administration building goes up. It is expected to be ready for occupancy in September, 1959.

The "Ag" building, finished in 1957, was one of the first achievements of the recent building program.

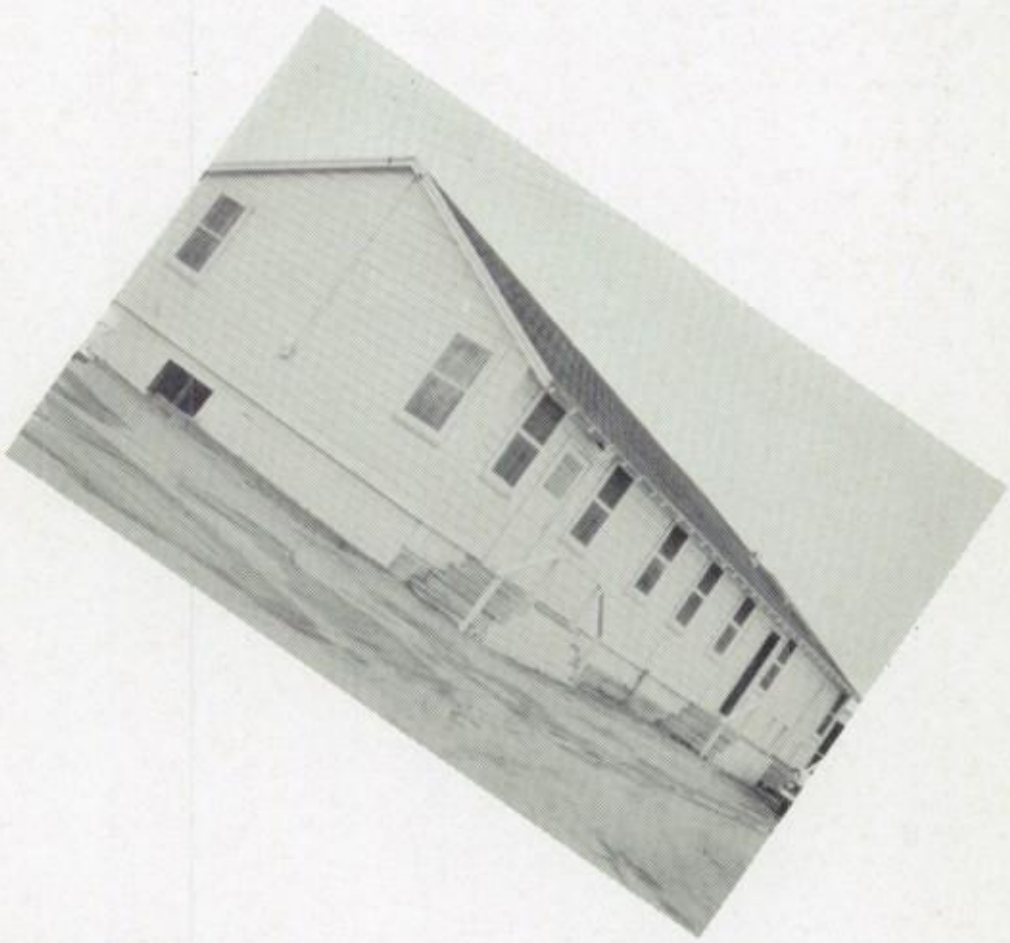
In its 44 year history, the campus of Wasco Union High School has undergone considerable change, particularly since the beginning of the building program in 1956. Since that time, we have added to our campus four new buildings—an agricultural building, a bus garage, an administration building, and a wing of classrooms. In addition, the gym and Industrial Arts buildings, have been rebuilt, and new tennis courts have been built east of the auditorium.

During the construction, problems arose which more or less seriously affected the regular school routine. The tearing down of condemned buildings and a subsequent shortage of classrooms necessitated the use of temporary buildings like the barracks on the west side of Palm, and a small projection room. Construction on the gym prohibited its use for the 1957-1958 basketball season, so the teams practiced on the Rio Bravo court. In the removal of the administrative offices to temporary quarters, difficulties were incurred in the bells system, and the raucous clang of the passing bell often interrupted us in the midst of a lecture or exam.

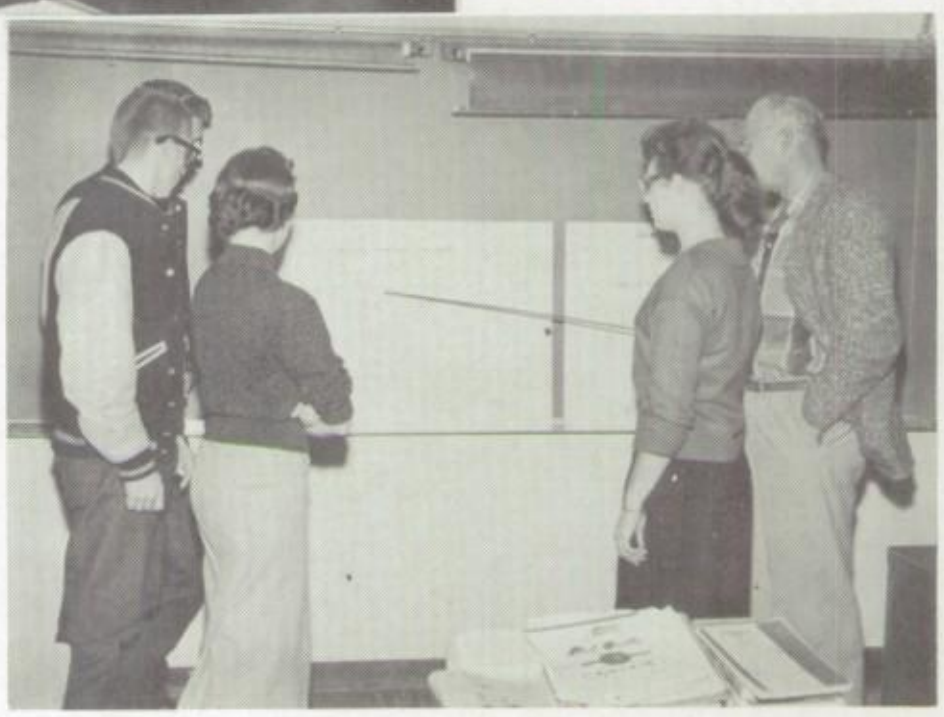
The pursuit of knowledge was not greatly hindered, however, and by May the new administration building, beautiful and modern, with spacious pastel tinted offices, and even a teachers' lounge, was finished, completing the three-year building program.

Back to normal! cried teacher and student alike, as they saw the last of the carpenters and masons go. The lovely old-fashioned auditorium was now all that remained of the original architecture. The campus was not the same with our beloved Study Hall torn down, and the familiar old administration building gone, but there was a general feeling of pride in the new and modern campus, and underclassmen looked happily forward to their first year in the "new school."

The Campus



Frosh make out their schedules and register for classes—their first high school assignment.



Mr. Wise explains the organization of the Senate to members of his first period government class.

Mr. Ellis' typing class races to finish a timed writing.

Science-minded library assistants inspect the traveling science library.

Students in woodshop (left) and metalshop (right) get practical vocational training and have something to show for their efforts.

The Classes

On Friday and Saturday in early September, freshment students officially enter the world of Wasco High. It's registration day, and some 650 students, freshmen and seniors alike, register for the year's classes. There are numerous interesting courses from which to choose, and it takes much thought and wise counseling to determine which is best for each individual.

Eight major courses of study are offered—Agriculture, Art, College Preparatory, University Preparatory, Commercial, Homemaking, Industrial Arts and Music. There is also a Non-Specialized course for those who do not fit in one of the foregoing categories, and for those who "just can't make up their minds."

Competent teachers and up-to-date equipment greatly facilitate the learning process; thus, it is not surprising that Wasco High School has one of the highest scholastic standards in the county. The well-stocked labs and shops make the studies for the science, vocational, and industrial arts students easier; the office machines lighten the load of the commercial students considerably; laboratories at the home economics department provide fun as well as pleasure. These facilities, plus the teacher's experience, skill, ingenuity, and "luck," make learning at Wasco High easier and more enjoyable.

Signs of Our Times

While adults preoccupied themselves with problems in the Middle East, the Berlin crisis, national debt, and income taxes, students of Wasco High erected their own signs of the times.

Rock and roll remained as popular as ever; in fact, to many teenagers it was not a type of music, but a way of life, influencing modes of dress, habits of speech, and methods of recreation. The bop was still tops for dancing, but the stroll and cha-cha-cha soon became favorites. The popularity of singers Ricky Nelson and the Everly Brothers waxed and waned, but Elvis Presley continued to cut those golden records.

The chemise, the empire line and, briefly, the trapeze, were clothing trends on campus, but the feminine form has at least come into view. "Legotards" were warm as well as stylish and the over blouse was a fast favorite. Boys continued to wear buckles and stripes, but Ivy League was no longer the rage. The boys experimented with bleaches and dyes on their hair, (some even grew dyed-to-match beards) but no permanent damage was done. Hair styles were generally shorter among the girls, and though the pageboy retained some of its former popularity, the pony tail was passe'.

"Assemblies" states the W Book, "are great." And so they were. Those long-time favorites, the Lancers, entertained with some of their night club hits; national industries promoted an interest in science with their assemblies on chemistry, physics, etc.; the "paid" assemblies however, could not compare with our own class and club shows.

Rallies were fun and effective in spurring our teams on to win. The competitive spirit, however, was most evident in our own inter-class track meet, which the Junior class won.

Cars sported the teen-age influence, too, for lowered front ends, side pipes, leaded hoods and trunks, names on the fenders, and "striping" were the craze. Some industrious students even rehabilitated ancient Model A's to drive about the campus.

So read the sign of our times: the "extremist" in dress or personality was on his way out at Wasco High, but many a fad and innovation indicated the whimsical moods of the "average" teenager.

Freshmen

TED HEINRICHS
President

On the eighth of September, 169 timid freshmen entered the great wide world of Wasco High. After several weeks of dashing to classes ten minutes late and forgetting locker numbers, we settled down sufficiently to win one lone rally contest. We soon became quite at home—stopped doing homework, and learned to take detentions and F's with smiling faces.

After several mix-ups and cancellations, our Freshman party turned out to be a success. Our advisors, Mrs. Hammer and Mr. Saindon, helped a great deal with this.

Even after we began to feel at home, a substantial number of us kept working hard enough so that 25% of the first semester honor roll students were freshmen.

The time for the announcement of the winners of the yearly rally contest rolled around and we freshmen were sorry, but not too surprised, to find ourselves in last place—thoroughly beaten.

By April we had recovered sufficiently to look down at the visiting eighth graders and assure ourselves that we had never been that small and ignorant.

The other activities of the freshmen included election of officers, initiation into various clubs, and selling refreshments at the Wasco-Arvin football game.

Altogether we have found it a pleasant, if at times humble year. All of us are looking forward to the time when we will be mighty sophomores and smarter than just about everyone.

Sophomore Class

The sophomores began their 1958 school year September 8th. They were more familiar with the campus and, most of all, they knew the teachers a lot better!

Since the sophomores felt much more important this year, they started fighting in the rallies, and at the end of the basketball season they took the honor of winning the yearly rally contest, which entitled them to getting their picture in the annual and feeling mightier than any class.

Thanks to the sophomore ad-advisors, Mr. Harrington and Miss Mills, the sophomore party turned out to be a lot of fun.

About the biggest event of the year for the sophomores was the choosing of their class ring.

Other sophomore activities were selling at football games, electing officers, and serving at the Junior-Senior banquet.

Junior Class

By SUSAN LINDGREN

Upperclassmen at last, the Juniors, during spare time, kept themselves busy all year with parties, dances, sings, selling, games, etc.

Chosen to be first semester officers were Wes Selvidge, President; Donna Shafer, Vice President; Mignon Carpenter, Secretary; and John Bergen, Treasurer. Second semester officers were Bernie Harris, President; Bill Tracy, Vice President; Joann Martin, Secretary; and Donna Shafer, Treasurer.

The biggest events of the year were the Junior Play — a comedy — "Henrietta the VIII," and giving the Seniors a big banquet; both events were very successful.

The Juniors also participated in the interclass track meet and the rallies.

One of the most active and enthusiastic classes on campus, the Class of 1960 is anxiously looking forward to being mighty Seniors.

MIGNON CARPENTER, Secretary; JOHN BERGEN,
Vice President; DONNA STEINBERG, Treasurer.

SENIORS

Class of 1959

By NANCY BERGEN

When the class of 1959, one-hundred seventy students strong, began the second phase of their school career at Wasco High, the group was bewildered and somewhat unorganized, but, nevertheless, willing to work and learn. Since that time, the class has become one of the outstanding classes in Wasco High's history, producing outstanding leaders, scholars, and athletes.

Commencing their work as an organization, the Frosh elected the following officers: Presidents, Howard Thomas and Mike Gilmer; Vice-Presidents, Mike Gilmer and Billy Barker; Secretaries, Cathy Estes and Janeen Pace; Treasurers, Jimmie Webster and Leonard Park. During the course of the year, the Frosh sponsored parties, and sold at games, besides adding fifteen new names to the honor rolls. At the close of their year of orientation, several Freshman girls served at the Senior Breakfast.

As Sophomores, the class of 1959, a year wiser, planned a full schedule. In addition to participating in many school functions, the class chose their class rings, and served at the Junior-Senior Banquet as beach combers — the highlights of the year. The following officers were elected to represent the Sophomore class: Presidents, Cindy Gilbreath and Kenneth Gaede; Vice-Presidents, Yvonne Bain and Sharon Smith; Secretaries, Sharon Smith and Cindy Gilbreath; Treasurers, Bill Hawkins and Richard Berendsen. Yvonne Bain, Lela Kelley, and Janeen Pace were the first members of the class to hold student body offices — those of song leaders.

The class began the Junior year as full-fledged upper classmen, as denoted by their new class rings. This year they elected: Presidents, Yvonne Bain and J. B. Selvidge; Vice-Presidents, J. B. Selvidge and Carolyn Siemens; Secretaries, June Crouch and Nancy Engel; Treasurers, Earlynne Miller and Harley Barling. Besides the usual class activities, the Juniors presented the three-act play entitled "Time Out for Ginger." The spotlight shone again on the class the night of the Junior-Senior Banquet. The elaborate decorations following a space age theme, a delicious meal, and an entertaining program — all were done in honor of the Seniors by the Juniors. When the year came to a close, awards were given to these outstanding Juniors: Karen Morris and Milton Caves, who received Junior Plaques; Karen Morris, Kenneth Gaede, and Howard Thomas, who were chosen to represent Wasco at Girls' and Boys' State.

Mighty Seniors at long last! Chosen to represent them were: Presidents, Bob Crowder and Gary Eskew; Vice-Presidents, Harley Barling and Frankie Wilbourn; Secretaries, Cathy Estes and June Crouch; Treasurers, Lela Kelley and Jimmy Webster. During their final year, pictures were taken, robes were measured, announcements were chosen, college plans were made, and the Senior Play, "Father of the Bride," a splendid success, was given. Scholastically, eleven Seniors were given Bank of America achievement awards, and Nancy Bergen, Karen Morris, Kenneth Gaede, Carolyn Siemens, and Harold Frantz earned life memberships in the California Scholarship Federation. Also, many Seniors held student body offices: Mike Hankins, 1st semester president; Richard Berendsen, 1st semester vice-president and 2nd semester yell leader; Cindy Gilbreath, 1st semester secretary; Yvonne Bain and Lela Kelley, 1st semester song leaders; Shirley Cotter and Earlynne Miller, 1st semester yell leaders; J. B. Selvidge, 2nd semester president; Nancy Engel, 2nd semester secretary; and Nancy Bergen, 2nd semester song leader. With the close of their last year, the Seniors held their traditional ditch day, assembly, and breakfast. On May 29th, 1959, commencement was held as the Seniors bade farewell to their Alma Mater, Wasco Union High School.

ATHLETICS and ACTIVITIES

R

In the tradition of Wasco High, a Shafter General is burned in effigy at the annual bonfire rally.

The bell tolls for another Wasco victory!

Wasco High rooters cheer wildly at the rally before the big football game with Our Rival.

Cheers for the basketball teams are no less enthusiastic, and the new gym rocks with the noise.

ALLIES

With a great stomping of several hundred pairs of feet, a noisy clapping of several hundred pairs of hands, and a mighty, concerted roar of "BEE-EE-E-AT TAFT!!!", the 1958 football rally season began. Similar yells, plus many others, were heard almost every Friday for nine weeks after that. The Wasco Tiger Band also added to the noise and fun. At each rally, several coaches and sometimes star players were featured speakers. The song leaders for the football season were Yvonne Bain, Lela Kelley, and Yvonne Smith. Yell leaders were Shirley Cotter, Susan Lindgren, and Earlynne Miller. S. R. C. President Richard Berendsen took charge of all football rallies.

At each rally a contest between the four classes was held. The winner of the contest was determined by who yelled the loudest for a speaker. The classes each took turns, and the noisiest class gained the privilege of having their banner displayed in the cafeteria till they were defeated at another rally by another class. The Seniors led in rally points during most of the football season.

On November 13, the traditional Bonfire Rally was held, with cries of "Burn, General, Burn!!" filling the air. The rally is held on the Thursday night preceding the rival tilt between Wasco and Shafter. This year's guest speaker was a local boy, Gerald Penner, a former all-valley tackle who once played in the Rose Bowl for UCLA. The four coaches, Mr. Nelson, Mr. Mills, Mr. Terry, and Mr. Burtner, also gave short talks. Following the rally, the Serpentine Dance snaked its way down town, where another, smaller rally was held. By the way, the Wasco Tigers beat the Shafter Generals in a very stormy and rainy, but close, game, 14-13.

Then the basketball rallies began. These programs took place in the new gym, with Mike Hankins, second semester S. R. C. Prexy, in charge. Yell leaders were Karin Nickel, Richard Berendsen, and Judi Pueschel. Song leaders were Nancy Bergen, Judy Neufeld, and Carol Berendsen. There were a total of five basketball rallies. In these rallies, contests were also held, with Seniors managing to keep their lead, while the Juniors and Sophomores fought it out for second place. The Freshmen didn't manage to do too well, but they've got lots of time to make up for their poor showing this year.

At the last all-sports rally, which was held April 3, all rally points were doubled for the contest. At the beginning of the rally, Seniors had 29 points, with the Juniors and Sophomores tied for second place with 27 points each. The Freshman class had 7 points. The Sophomores won the close-fought rally to become school champs for the 1958-59 rally season. Seniors and Juniors came in second with a total of 33 points each. Freshmen had 19 points.

So the big rally season ended, with a big disappointment (for the Seniors) and a just-as-big—if not bigger—triumph for the Sophomore class.

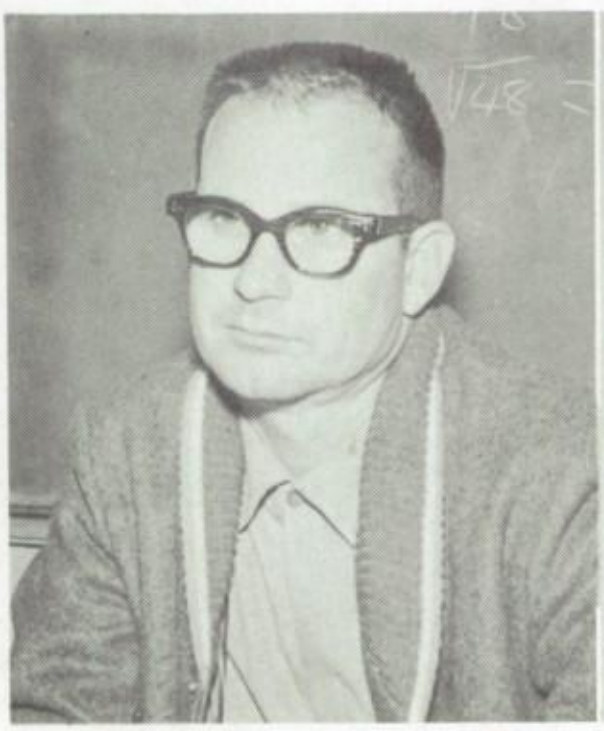
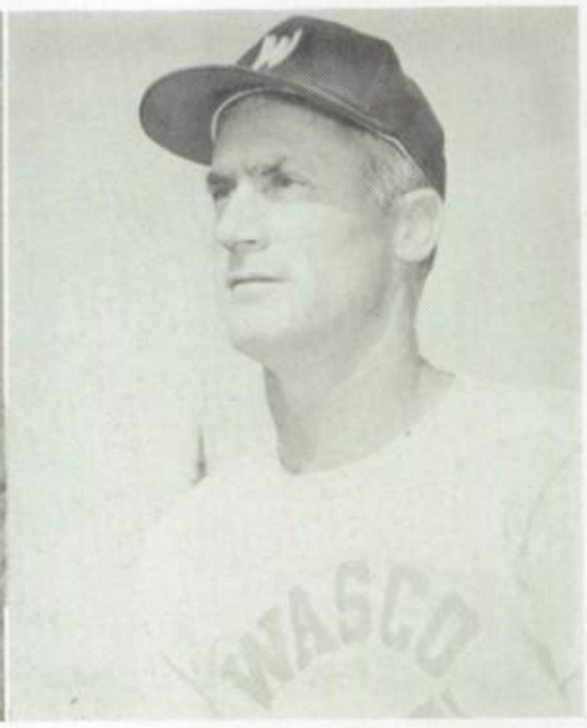
Chalk Talk



COACH BURTNER



COACH TERRY

1958 Tigers

The Wasco Tigers, coached by George Terry and Jack Burtner, garnered fourth place in the South Sequoia League and achieved a three-six season record during the 1958 campaign.

The Tigers had two strikes against them to begin with, as they faced such powerful veteran teams as Corcoran, Coalinga, and South High.

The Tigers came on strong, however, as they captured hard-earned victories over Garces and Shafter. The Shafter game was extremely exciting as the Terrymen, playing in a driving rain storm, scored with only thirty seconds remaining to pull the game out of the fire.

The forward wall was composed of Curt Bergman and John Johnson at the ends; Lonnie Emerson and Frank Wilbourne at the tackles; Richie Berendsen and Albert Penalber at the guards; and Carl Ash handled the pivot position.

The backfield was made up of Quarterback, Ken Gaede; Left Halfback, Gary Eskew; Right Halfback Arnold Gentry; and Fullback, Ray Brady.

Cubs---League Co-Champions

The Wasco Cubs of 1958 were undoubtedly one of the finest light-weight football teams ever to wear the orange and black. Coached by Pat Mills and Allen Nelson, the Cubs compiled a fine seven-two season record and tied with Coalinga for the South Sequoia League title. The Cubs actually beat Coalinga, but they were upset by Shafter on a very wet and muddy field.

Tigers

COACH BURTNER

Under the leadership of Coach Burtner, a green, unranked Tiger team finished a surprising third place in league play with a 6-4 record.

Led by Howard Thomas, Marvin Grim, Curtis Bergman, Ken Gaede, and Sophomore Larry Hulse, the Tigers fought their way to the finals of the post-season tournament, only to lose a heartbreaking 40-39 contest to Garces of Bakersfield.

Winning most of their games at the start of the season by a small margin the Tigers ended their 1958-59 season with a record of 13 wins and 9 losses.

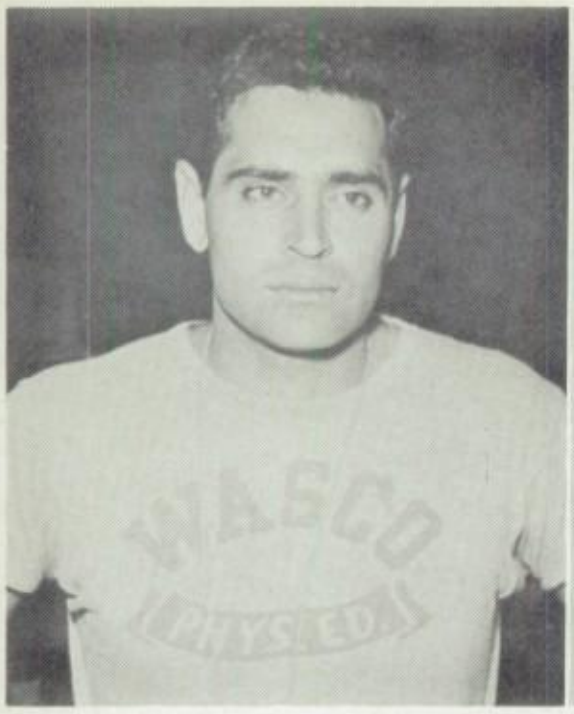
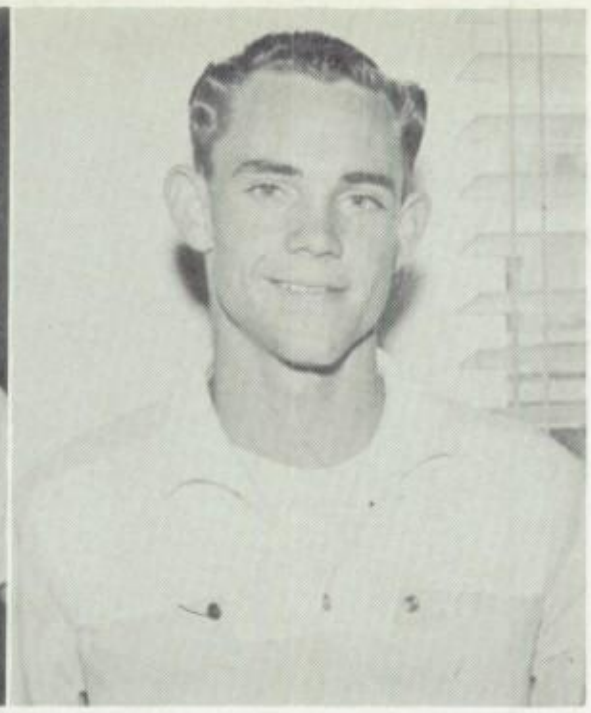
Cubs



COACH DARBY



PAUL MOUSER, Captain

The 1958-59 edition of Wasco High's B basketball team started with only two players back from the previous year. The Cubs were not only lacking in experience, but in size, too.

Coach Andy Darby worked hard with his green players, and by the time the league rolled around the Cubs had learned quite a bit about basketball. Darby coached his quintet to five wins and five losses in league play.

With Bob Grisso, Don Wright, Othel Pearson, Leo Coleman, Don Ellison, Terry Lundsford, and Charlie Stevens carying the bulk of the load, the Cubs finished the season with an 11-7 record.

Paul Mouser was chosen Captain of the team, for his outstanding playing and leadership on the court.

Kittens

Led by a few returning lettermen, the 1958-59 edition of Wasco High's C class basketball team started the season strongly by defeating several larger schools, such as Arvin, North Hi, and Porterville.

Coach Mills had a crop of boys with experience to give him a strong team on the bench as well as the floor.

With Alvie Snow, Paul Floyd, Thornton Marks, Charles Gaither, Martin Blanton, and Clyde Broom carrying the bulk of the load, the Kittens finished the season with an outstanding 9-5 record.

Alvie Snow was elected Captain by his fellow teammates for his outstanding leadership on the court.

SUSAN CHERNABAEFF
Snowball Queen

The Snowball

The eve of February 7, 1959, found the school gym transformed into an island paradise for the annual Snowball. As visitors crossed a rustic ivy-covered bridge to the "Enchanted Island," their attention was drawn to the rocky banks of mosses and ferns, over which a flashing stream flowed into a sparkling little pool. Refreshments were served from a bamboo hut, and strains of music by the Skyliners issued from a tumble-down pier.

As the big moment, the crowning of the Snowball Queen, approached, Mr. Green led the dancers through the intricate maneuvers of the grand march. Followed by her attendants and flanked by the students who elected her, Queen Susan Chernabaeff stepped to her royal throne — set in the convincing imitation of an exotic Polynesian princess' forgotten garden. Holding the traditional bouquet of red roses, the queen was crowned by Student Body President J. B. Selvidge.

Guests danced among the palm trees and camellias until the witching hour, when it was time to bid good-bye forever to the "Enchanted Island."

Seated: Rhoda Reimer, Cathy Estes, Mary Threatt, Janeen Pace, Sharon Smith. Standing: Richard Berendsen, Lela Kelley, Doyle White, Harley Barling, Yvonne Bain, Milton Caves, Nancy Permenter, Karen Morris, Lona Powers.

Row 1: Shirlee Haws, Pat Terrell, Sue Robertson, Nancy Engel.
Row 2: Darlene Parsons, Carolyn Siemens, Leslie Jones, Jonna Kliewer, Bobbie Watkins.

"Father of the Bride"

One of the highlights of the year for the Senior Class is their play, given in the auditorium to friends, relatives, and the student body. "FATHER OF THE BRIDE," by Caroline Francks, was chosen as their playscript. Given on December 5, the comedy proved to be successful.

The action took place in the living-room of the Banks' home somewhere on Long Island, N. Y., and involved a situation typical of the American home. The cast, chosen after strenuous try-outs, interpreted parts in a commendable manner.

The play was successfully directed by Mr. Lawrence Mendenhall, who spent long hard hours preparing for the event.

Delilah, the maid, listens in while Mme. Didier, their caterer, helps the Banks' plan the wedding reception.

Buckley and Kay discuss wedding plans with the family.

"Henrietta the Eighth"

Judging from the applause and the congratulations heard after the play, the Junior Class and Mr. Mendenhall, who so ably directed them, felt their efforts in presenting "Henrietta the Eighth" had been well rewarded.

The plot of the play revolves around a civic minded widow (who always seems to be in need of a new secretary) and her three spoiled, teenage daughters. The reason for this state of affairs is that Mrs. Sutton, the widow, has been too busy with her own ambitions to give much thought to the training of her daughters. The daughters, Adele, Wilma, and Carol, have made the seven previous secretaries' lives miserable by appropriating them to serve as their personal maids.

Kathy Betts gave a wonderful performance as Henrietta, the eighth secretary who, in reality, is a writer masquerading as a secretary. Unknown to Mrs. Sutton, she has applied for the job in order to obtain material for her latest novel dealing with modern day women who spend too much time outside the home. Through her insight and sympathic guidance, she is able to gain the girls' respect and confidence and help them develop a sense of responsibility and consideration for others.

The plot is rather involved, but in the end every girl gets her man, including Henrietta and the widowed mother.

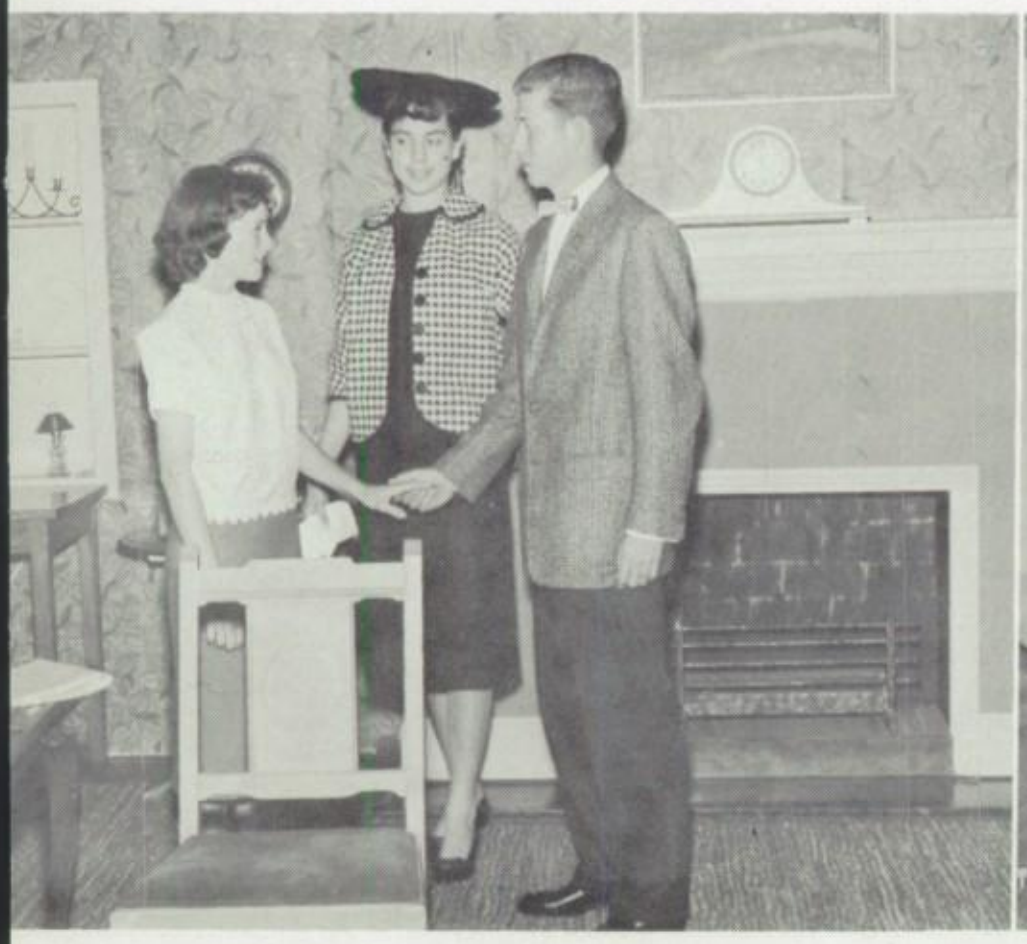
Carol and Wilma try the silent treatment on Henrietta.

Seated: Mike Appel, Nargie Willard, Mignon Carpenter, Henry Prado, Cathy Hinton, Darlene Parsons, Duane Bloom, David Crowder, Yvonne Smith, Penny Peters. Standing: Gary Montgomery, Louise Massey, Doug Terrell, Gary Toews, Spencer Gill, James Willingham.



Annabelle Mason introduces her protege, Jimmy, to Adele Sutton, daughter of Mrs. Mason's political opponent.

Henrietta proves to the girls that she can handle any man.

Cross Country Team

RICHARD ARONSON

WESLEY SELVIDGE

CHARLES SUTTON

BOB MILLER

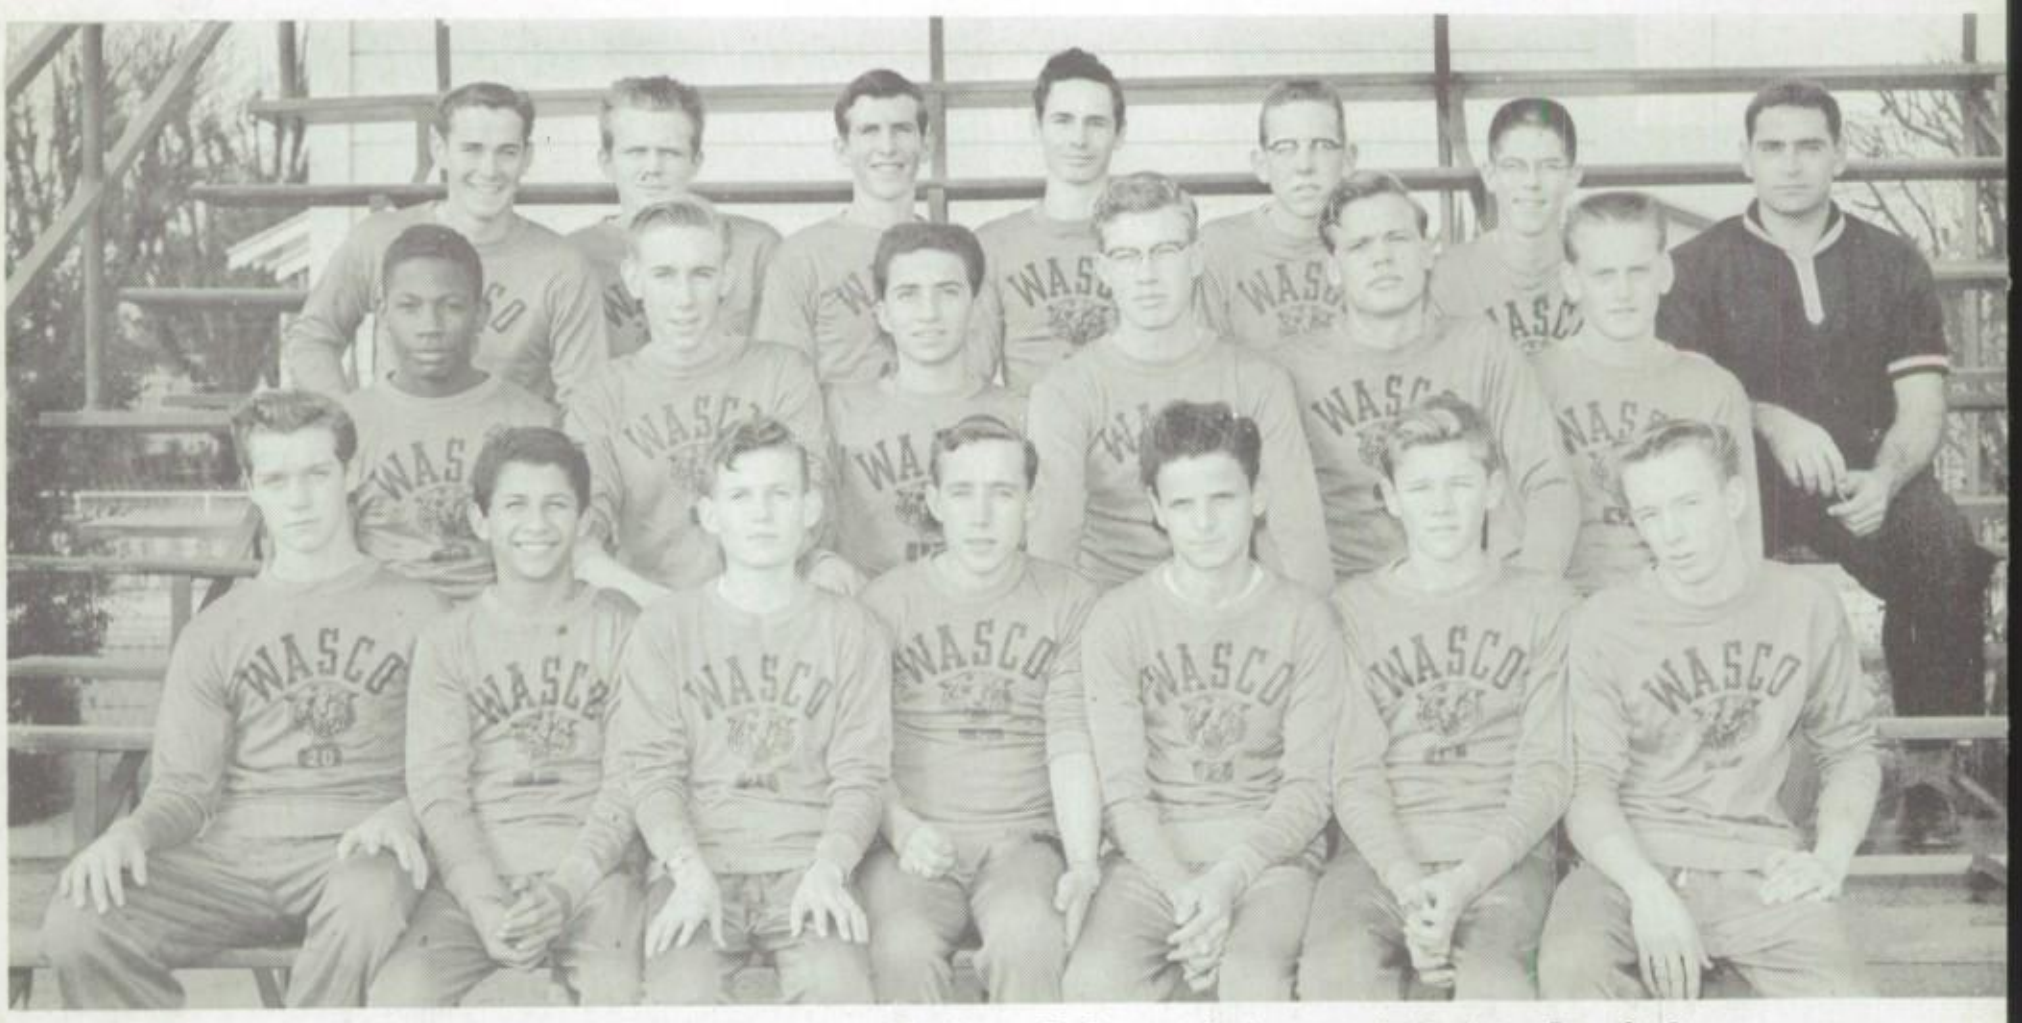
KENNETH OLIVER

Wasco's cross country team had a most successful season during 1959. The season was topped off by winning the Valley track meet at Delano.

The cross country team was led to victory by Richard Aronson, a senior and captain of the year, who ended third in the valley. Arnold Borjon, the most improved athlete, was the record maker for the team with Bob Miller, Ken Oliver, Wesley Selvidge, Charles Sutton, and Bill Tracy helping to support the Varsity team.

Bill Lynn, a senior, and Steve Janzen, a junior, were hard working members on the Junior Varsity team. The top man on the Freshman-Sophomore team this year was Ted Reaves.

The cross country team is rapidly growing with twenty-nine members on all three teams this year. Wasco was rated twenty-third in the National Varsity Competition.



Row 1: D. Siemens, E. Gonzales, R. Park, E. Wann, T. Reaves, J. Aronson, B. Preston. Row 2: B. Miller, J. Blanton, R. Harris, B. Tracy, C. Sutton, B. Tackett. Row 3: B. Lyon, R. Aronson, K. Oliver, G. Settlemire, G. Kruger, W. Selvidge, Coach Darby.

Statisticians

Football: Penny Peters, Judi Pueschel, Mary Kay Muir, Darlene Parsons.

Basketball: Jonna Kliewer, Donna Shafer, Mary Kay Muir, Darlene Parsons.

Baseball: Karen Bartel, Judi Pueschel, Penny Peters, Darlene Parsons.

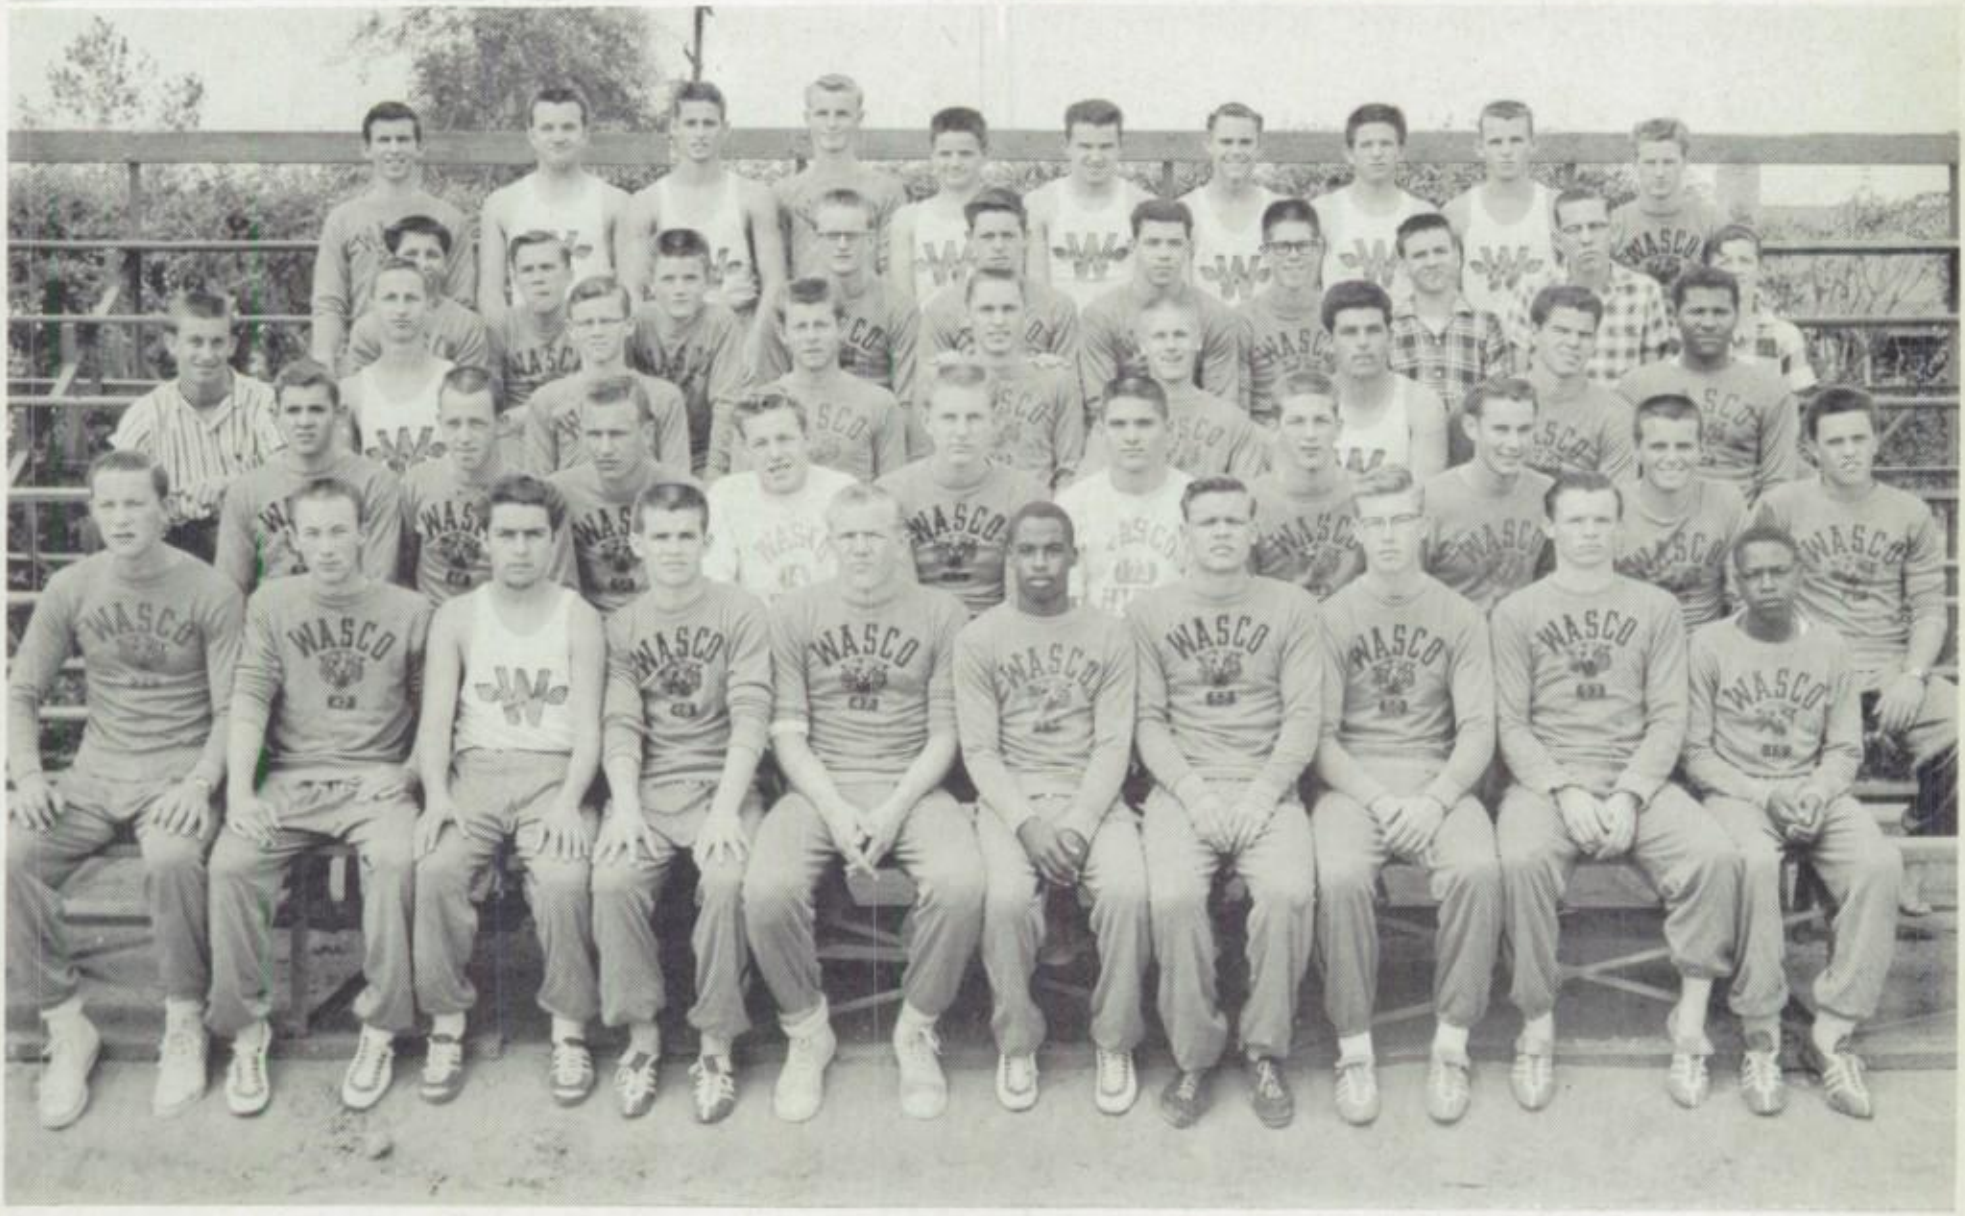
Track

The track team this year was one of the best Wasco High has ever seen. The class "A" team was very strong in several events but lacked in depth. The class "B" team was outstanding, the "C" team was small but mighty.

Wasco started the season by taking first in the "B" division at North High, and second in the "A" and "C" classes. The "A" and "B" teams came back strong to win first in their own Wasco Relays. The Tigers also won the Garces Invitational and the League.

The track team was sparked by several class "A" speedsters such as: Rodney Penner, in the hurdles; Lowell Woodman, in the sprints; and Richard Aronson, in the distance races. Quarter milers Steve Janzen and Gary Eskew were excellent in that event. Cleveland Dunnigan and Allen Garrison led the "B" team to many victories in the sprints. Bob Grisso and Howard Thomas were excellent in the high jump. Thomas also entered the broad jump. Bill Gray, a freshman, did an excellent job in the shot put. Terry Floyd. a pole vaulter, held number one spot in the league with a vault of eleven feet eleven inches. Class "C" was sparked by speedster Alvie Snow; Thornton Marks was impressive in the hurdles and Paul Floyd, following in his brother's footsteps, cleared ten feet six inches in the pole vault and did a little weight-work on the side.

The team's accomplishments were due to the excellent coaching of Coach Andy Darby and Coach Allen Nelson.



Row 1: C. Bergman, K. Howard, E. Borjon, G. Eskew, B. Aronson, T. Marks, C. Sutton, B. Tracy, L. Woodman, C. Broom. Row 2: S. Janzen, J. Wetmore, R. Penner, J. Conrad, P. Trammel, A. Walters, D. Wright, B. Lynn, E. Show, J. Waldron. Row. 3: F. Gaede, L. Dunnigan, J. Aronson, J. Janzen, H. Thomas, L. Frey, F. Wilbourne, B. Gray, R. Whitfield. Row 4: E. Gonzales, B. Morrison, J. Prueitt, B. Tackett, A. Snow, M. Grim, W. Selvidge, W. Miller, G. Kruger, U. Rogers. Row 5: K. Oliver, G. McGuire, C. Dunnigan, A. Garrison, T. Reaves, B. Grisso, P. Mouser, T. Floyd, D. Boyett, F. Patrick.

Varsity Baseball

GEORGE TERRY

The Wasco Tigers had a rough practice schedule, but when the league started they realized their potential. The team, composed mainly of Seniors, had good backing from the under classmen. Pitching chores were handled by Darrel Carpenter, Bob Crowder, and Jim Priest. Priest and Carpenter were the only juniors on the team. The catching was handled by Richie Berendsen, a senior. Two Sophomores handled first base. When Larry Hulse was unable to play because of a sore arm, Mel Brady took over at first base. Another Soph, Emery Hurd, was the starting 2nd baseman and Ken Gaede handled short. Third base was held down by Arnold Gentry and Albert Penalber. The outfield line-up consisted of Mike Hankins, left-field; Mike Gilmer, centerfield; and Harold Franks, rightfield. Harold Frantz was the team's utility man for he could catch and play the infield and outfield.

Up and coming freshmen on the J. V. and experienced juniors and sophomores on the Varsity promise a successful 1960 baseball season for the Tigers.

The team has expressed much appreciation for the support and hard work of their manager, Lawrence Williams.

COACH MILLS

The Junior Varsity, coached by Pat Mills, had a lot of tough luck in pre-season games. After a few games under their belt, they came into league play and made a good showing. With four league games played and six remaining at the time of this publication, they were still in the running for the league title. The league rcord was two wins and two losses.

Although the team was composed mostly of sophomores and freshmen, they made a well-rounded team. The Cub pitching staff included Othel Pearson– Charles Gaither and Martin Blanton, sharing the burden equally. Martin Blanton and Donald Ellison led the team in hitting.

Because most of the players were freshmen and sophomores, the backbone of the team will return next year.

Row 1: M. Hussey, J. Shafer, C. Gaither, M. Blanton, J. Devoe. Row 2: B. Beasley, R. Greenlee, M. Hammond, L. Bartel, S. Loewen, M. Rodriguez, P. Galleher, D. Ellison, D. Schieber, R. Pitts, O. Pearson R. Bofanos.

Top batters for the Varsity stand by as teammate Arnold Gentry steps up to the plate.

Richard Berendsen catches as Kenny Gaede takes a big swing.

Emery Hurd slides for third.

Bob Crowder shows Varsity pitchers how it's done.

Judy Neufeld, diving champ, exhibits her prize-winning form in a swan dive.

Philip Siemens is out to win the meet with a smooth racing dive.

Latin Club

Many fun-filled activities were held this past year by the Latin Club. Any student who was taking or had previously taken a year of Latin was encouraged to join this organization in order to learn more about the language and the type of people that spoke it. The club gave a Roman banquet in the spring, at which everyone present was surrounded by the atmosphere of ancient Roman times. The students wore their ancient Roman costumes with purple, red and gold trimmings. The entertainment consisted of vocal numbers, numerous readings and instrumental numbers. The food was distributed by the Freshmen, who were the slaves.

Another highlight of the Latin Club is the slave auction which is given annually. Students who want to buy a slave, regardless if they are in Latin Club or not, can buy a slave. For one week the slaves are held under bondage by their masters.

The Latin Club is also supporting a boy from Italy, Lido Lambardo. They send ten dollars a month and boxes of food and other materials.

MR. MANNING

TIGER BAND

Without a doubt, the Wasco High School Band was one of the most active groups on the campus.

This active organism was very successful in the school year of 1958-1959. The Wasco High School Band performed at football games, assemblies, parades, and presented their own annual spring concert.

Attending the All Western Band Revue and taking top honors in their division was one of the year's highlights. The good ratings in past revues was surpassed by this year's first place over all bands.

At the annual band festival in Bakersfield, Wasco's band was rated excellent for its fine performance.

The Wasco High School Band under the direction of Mr. Robert Manning, has made Wasco proud of its many fine performances and for the honors it has received.

G. A. A.

The Girls Athletic Association of Wasco High has been very active this year—one of the most active on campus. G.A.A. holds meetings each week for its athletically inclined members to let off their excess energy. Each month the girls attend a playday ct some school in the county.

This year the G.A.A. has had many fund raising activities—dances, cookie and punch sales, and selling at the annual 20-30 Club Relays.

There are about fifty active members in G.A.A., and with the new point system the club feels more girls will want to join and earn awards.

NUCLEUS CLUB

MR. SMITH, MR. NELSON, Advisors

The purpose of the Nucleus, or Science Club is to promote interest in the field of science. All students taking a subject in this field are urged to join.

The 1958-59 officers were: President, Cindy Gilbreath; Vice President, Melvin Willis; Secretary-Treasurer, Lowell Woodman. Advisors Mr. Nelson and Mr. Smith.

Various projects were prepared by the students for the Science Fair at Bakersfield. For "open house" the students set up charts, graphs, testing devices, and other projects which represented work done in the class.

Activities of Wasco Chapter, FFA

UNDER the leadership of Harley Barling, Jr., and Mike Hankins, first and second semester presidents respectively, the Wasco Chapter, FFA, had an outstanding year of activities.

Douglas Hankins, FFA freshman, exhibited his Hereford lightweight steer to the reserve grand championship at the 1958 California State Fair in competition with 29 other high schools. Winnings by other Future Farmers with their livestock and farm shop projects resulted in Wasco winning second place in farm mechanics sweepstakes, third in best chapter group of swine, fourth in grooming and appearance of beef, fourth in swine sweepstakes, and seventh in beef sweepstakes. Exhibits were transported to Sacramento on the railway with six boys accompanying the livestock and the remainder making the trip by car.

Jerry Lequieu and Mike Hankins topped all FFA exhibitors at the Kern County Fair in winning champion and reserve champion market barrows. In the open division, beef carloads owned by Wasco Chapter were judged grand champion and reserve grand champion carloads in a class of 15 carloads from other Kern County high schools. This marked the twelfth time in 13 years the Wasco Chapter has won the grand championship in this class. Wasco Future Farmers practically swept the boards in winning 36 blue ribbons in farm mechanics exhibits and over 95 per cent of the prize money offered in this division. Two trophies were won, the first for the cleanest and most attractive livestock exhibit at the Kern Fair and another for the best group of ten market hogs. Jerry Lequieu, Mike Hankins, Harley Barling, Jr., Freddie Munnerlyn, James Johnson and Joel Wright owned the winning market barrows.

Freddie Munnerlyn won a gold wrist watch for his Future Farmer champion market hog at the 1958 Great Western Livestock show in Los Angeles and the hog went all the way to the grand championship of the show, thus repeating Wes Selvidge's feat of winning the grand championship the year before. The hog sold for $526.00. In addition Harley Barling, Jr. had the grand championship pen of five in a class which included 13 pens. The chapter's carload of fat steers won in a class of 21 carloads and was awarded a beautiful trophy as well as the grand champion ribbon. It was the third straight year for Norbert Streiff, American farmer, and graduate of the class of 1949 to have one of the loads he had fed on the high school farm for the chapter named as grand champion load. In addition to the high school farms represented in the carloads, Pierce Junior College and California State Polytechnic College had entries. The chapter group of six best market hogs won a trophy for the Wasco exhibitors. Freddie Munnerlyn, Wayne Harris, Rickie Jacobsen and Grayson Atchison owned the group of hogs which won the trophy.

Several of the Wasco boys exhibited their prize-winning animals before a large group of visiting Los Angeles City school children.

Harley Barling, Jr. exhibited another pen of five steers at the Cow Palace and won the championship in the FFA division. He and Norman Schaad each won the rating of expert showmen, Barling in the beef class and Schaad in swine. Rickie Jacobsen had champion and reserve champion market hogs in the grade class.

A trip to the Sequoia National Park by Greyhound bus was enjoyed by the Future Farmers with a group of FHA girls as guests under the direction of Miss Gay Yost. The park was especially beautiful as fresh snow had fallen the night before and the trees were coated in soft white shrouds.

Wasco Chapter was represented at the Future Farmer National convention in Kansas City by Mike Hankins and Harley Barling, Jr. The boys covered nearly four thousand miles on the trip and heard national leaders such as Ezra Taft Benson speak to the convention. Return trip was made by way of New Orleans.

Our chapter was honored by having Mike Hankins elected as student body president the first semester and Wes Selvidge and Lonnie Emerson were elected as vice president and treasurer for the second semester.

The annual FFA assembly was under the direction of Mike Gilmer and consisted of several humorous skits and readings, reports of chapter activities, and the singing of Deanna Allen of Delano High School.

At the annual Parents and Friends banquet sponsored by the FFA, Mrs. Leslie Lequieu was named FFA Mother of the Year; Mike Hankins and his father, Obie, as the outstanding father and son combination; Mayor H. S. Giddings as senior citizen of the year; Burl Robinson, a graduate of the agriculture department, as junior citizen of the year. Mike Hankins won the gold key of State Farmer and he and Harley Barling, Jr. were honored for their services to the FFA. Larry Robertson and Lynn Grant were made honorary members of the chapter as was Bob Boster, State FFA President, who was a speaker at the banquet. A crowd of three hundred and fifty attended.

Chapter officers for the school year were as follows:

The Spanish Club, one of the largest, most industrious, and opulent clubs on campus, has been sufficiently active this year.

The club, under the leadership of Mr. Parrott, is composed of past and present Spanish students interested in learning more about the language and customs of Spanish speaking countries. As a means of support, it sells popcorn, cokes, and 7-Up every activity period.

Immediately after the Christmas holidays, the club sponsored a party featuring a cold buffet, traditional pinata, and other games. However, the most gala affair on the calendar was the Spanish Club banquet complete with steak and all the trimmings.

For the future, the club tentatively plans a trip to Mexico and to Hearst Castle at San Simeon.

SRC

The Song and Rooters Club was first organized by Mr. Wise in 1936. Mr. Wise, who was the football coach at the time, organized the club to promote school spirit and really get the Student Body behind our athletic teams.

During the past 23 years the club has grown in membership and is one of the more active clubs on our campus. Every year the club presents to the outstanding Cross Country Runner a beautiful cup which he keeps as his own. Also, his name is engraved on a beautiful trophy which stays in the trophy case. The S. R. C. also presents to the Student Body a plaque with the names of the new Tiger Pin winners for that year.

MR. CUTNER, MISS MILLS, MR. WISE, Advisors

Besides giving these awards, the S. R. C. is in charge of the rallies, pays for a page in the annual for the winning class in the rally contest, decorates the goal post before the football games, sponsors a large board in the Cafeteria where the team standings are listed, and also sells the advertisements in the football programs and hands them out at the football games. Every year the Student Body looks forward to the annual S. R. C. Assembly. The S. R. C. also is in charge of the Sportsmanship Assembly which is given just before the first football game.

To create school spirit and raise money for our activities we sell orange and black book covers and various types of tiger pins. During the past year our first semester officers were Richard Berendsen, president; Simone Peters, vice president; Nancy Permenter, secretary; and Marcia Thomas, treasurer. Our second semester officers were Mike Hankins, president; Susan Lindgren, vice president; Carolyn Ellis, secretary; and Shirley Cotter, treasurer. The S. R. C. advisors besides Mr. Wise are Mr. Cutner and Miss Mills.

HONORS

TIGER PIN

The Tiger Club, organized in 1956, is a club for students who have earned service points for school activities. The student must have four hundred and fifty points or be in the top five percent of the students turning in points. Each student qualified to join the club is awarded a small "Tiger Pin."

Those students who qualified for membership in 1958 were: Yvonne Bain, Kathy Betts, Patsy Kendig, Darlene Laughlin, Rickey Pitts, J. B. Selvidge, Gary Toews, and Lowell Woodman.

Rickey Pitts, Lowell Woodman, Kathy Betts, Cindy Gilbreath, Yvonne Bain, Patsy Kendig, Darlene Laughlin.

Teresa Iribarren

Michael Roulier

Magna

Cum Laude

The highest award for high school scholarship was given in 1958 to Teresa Iribarren, who had the highest grade point average for girls, and to Mike Roulier, who had the highest average for boys.

CSF Life Members

One of the highest honors a high school graduate may receive is a gold seal on his diploma. This seal indicates life membership in the California Scholarship Federation which is granted for membership in CSF for four out of the last six semesters of high school, including one semester in the senior year.

HOWARD THOMAS KAREN MORRIS KEN GAEDE

Boys' and Girls' State

Two boys and one girl from the junior class are selected each year to attend California Boys' and Girls' State in Sacramento. Chosen for outstanding scholarship and citizenship, physical fitness, and qualities of leadership, the Staters are privileged to spend a week in the state capitol, learning about government through firsthand experience.

Upon arriving, the immediate concerns of the Staters are to find what fictional city and county they are to reside in, and which political party they belong to. Throughout the ensuing week, they attend lectures on government procedure and immediately put what they have learned into practice by holding elections at city, county and state levels. Condidates run for any office from City Dog Catcher to State Senator, culminating the week with the installation of Boys' and Girls' State governors.

Even with their busy schedule of lectures, campaigns—Boys' and Girls' Staters could put national political machines to shame with a campaign!—and elections, the Staters find time for recreation. They have picnics, talent shows, a visit from the mayor of Sacramento, and a tour of the capitol. They make new friends quickly, and promptly forget their names. They form lasting friendships with "the girl from San Carlos," and never forget "the boy with the red hair who played the banjo."

At the end of their gay, exciting, interesting, educational and completely exhausting week, the Staters return to their homes, and report their activities to the student body and to the American Legion, American Legion Auxiliary, and Exchange Club—the organizations which sponsor the program.

Kenneth Gaede, Howard Thomas, and Karen Morris were selected from the class of 1959 to represent Wasco at Boys' and Girls' State.

KAREN MORRIS

MILTON CAVES

Junior Plaque

Awarded to a junior boy and girl for outstanding scholarship, the Junior Plaque was given in 1958 to Karen Morris and Milton Caves, Class of '59.

Acknowledgements

As the Wasconian enters its final stages, and we cross our fingers that it will come out on time, I would like to express my gratitude and appreciation for the friendly co-operation we have received from everyone connected with this annual, and particularly to the faculty and the student body—you've been wonderful!

Special acknowledgements go to:

Mr. Tom Shafer, Mr. Paul Groves, and the staff of THE WASCO NEWS, for printing and patience.

Mr. Ray Rexius, for photography and forbearance "above and beyond the call of duty."

S. K. SMITH COMPANY, for covers.

PRINTERS SERVICE COMPANY, for book binding.

Merchants of Wasco, for advertising.

Wasconian Staff, for encouragement and much hard work.

Mr. G. E. Appel, for guidance and supervision, suggestions and advice, and truly remarkable patience.

Again, my sincere thanks to all who have made this book possible. It is my hope, and that of the Wasconian staff, that this book—YOUR BOOK—meets with your approval.

KAREN.
